Thanks Katie. Just wanted to let you know I was able to speak with Maddie today and she indicated she would coordinate with her supervisor and email me later today with times that would work for our follow-up call (potential times next week).

Have you tried Maddie's supervisor that she mentioned during the consultation? I assume that is who the original invitation was sent to.

Katie,

I'm wonder if you have any contacts with the Choctaw Nation of Oklahoma you might be able to reach out to? We've attempted to reach out about a follow-up to our Oct 1, 2020 NHPA consultation call and haven't had any luck getting a response up to this point.

Thanks,

Ms. Currie,

I wanted to reach out again to see if you've had an opportunity to review Florida's Operating Agreement and if you and your team would be available to discuss on Friday 10/16, 1-2 or 3-4 pm? If not, do you have availability on 10/19 or 10/20?

Thank you,

Kelly Laycock

**Subject:** Follow-up call on NHPA consultation

Ms. Currie,

Thank you for joining us today, I believe the discussion was very helpful for our team. As we spoke about, we'd like to have a follow-up call with you and anyone else from your team once you've had an opportunity to review Florida's Operating Agreement. We're proposing to have the call the week of Oct 12. We are trying to coordinate schedules internally but I thought it might be helpful if you could offer a few 1-1.5hr blocks that would work best for you team so we can try to work within those. I will be on leave starting tomorrow and through next week so I've cc'd my supervisors as alternative contacts for you. Please reply-all with your potential times so that my absence doesn't affect our ability to continue correspondence.

Thank you,
